

GALAHs Fifa2000 - Australian Kit 2000

Final Release

Features:

- The 2000 version of the Australian National side's (Socceroo) playing strip.
- National Coat of Arms and the Adidas logo.

Benefits:

- Playing strip constructed pixel-by-pixel maintaining the highest resolution and clarity possible. Huge improvement in quality compared to original in-game uniform for Australia.
- Full in-game colour selection. Not fixed like some lesser shirt designs.
- The strip design that should have been included in Fifa2000 not the 1997 style we ended up getting.
- Over two years of development and improvements!

System Requirements:
